***Based on the 2026 Federal Poverty Guidelines.***

**Policy note:** Fees are based on the client's household size and annual household income. Clients with income at or below 100% FPL are eligible for a 100% discount. Clients between 200% and 399% FPL are capped at a $50 individual session fee. Clients with income above 400% FPL are responsible for the full $130 individual session fee.

A Safe Haven LLC utilizes the Illinois HFS Fee Schedule for Providers of Community-Based Behavioral Health Services for Community Mental Health Centers (effective 8/1/2024) to determine nominal fees for services based on the maximum annual income amounts and family size for each sliding fee percentage category.
